

HOW TO REGISTER WITH THE **Mobile Application** FOR ELECTRONIC VISIT VERIFICATION

Electronic Visit Verification (EVV) is a way to record the date, time, and place that Attendants provide services. Anyone can download the EVV mobile application. CellTrak requires an Attendant to be registered to only one device. If an Attendant provides service to multiple Participants at different addresses it is recommended that the Attendant use their own device.

HOW TO REGISTER

1. Download CellTrak on your mobile device from the Apple App Store or Google Play Store.

- Type **CellTrak** in the search bar.
- When searching, you will see two applications, **download the app titled CellTrak.** (Fig. 01)
