

Caregivers will need to complete the IVR Registration form found on the CDVA website for each Participant. This time entry method must be used with a registered phone number belonging to the Participant where services are provided. All time submitted via IVR must be approved by the Participant in the DirectMyCare web portal. If the Participant is unable to approve time via DirectMyCare they must call CDVA for approval.

#### **Locating your User ID**

- **1.** Log in to CDVA's <u>DirectMyCare Web Portal</u>.
- 2. Select your name in the top right corner to view your profile.

**3.** Your Person ID is your User ID for the IVR.

User Profile		
Basic Information		
First Name		Acres .
Last Name		Select
Email		AMERICAN DE CAUGHO TAMA, COM
Role		Indicated Provider
Person ID	:	1000000
Company	:	COMM.
Program		
IVR PIN		104

IVR: English: 877-532-8537 Spanish: 855-581-0509

## Clock In

- **1.** At the start of your shift, use Participant's phone to call into the IVR system [above].
- 2. Enter your **User ID** followed by the **pound sign (#)**.
- **3. Press 1** to record an entry.
- 4. Enter your 6-digit PIN.
- **5.** If applicable, listen to the prompts to select the Participant and/or the service.
- **6.** Your start time is recorded.
- 7. The system will say "you have successfully started your shift, goodbye" and will hang up.
- **8.** Begin providing care.

#### **Clock Out**

- 1. At the end of your shift use Participant's phone to call into the IVR system [above].
- 2. Enter your **User ID** followed by the **pound sign (#)**.
- **3. Press 1** to finish recording your entry.
- 4. Enter your 6-digit PIN.
- **5.** If applicable, follow the prompts to select completed service tasks. See Page 2 for a list of specific tasks.
- **6.** Your end time is recorded.
- 7. The system will say "you have successfully ended your shift, goodbye" and will hang up.

# **Troubleshooting**

#### **User ID** is Invalid

If the caller does not enter # sign after User ID, they will get a "User ID is invalid" message.

### No Options Given to Record Time

If the IVR system does not recognize the phone number you are calling from, it will first ask for your User ID, then ask for your PIN. You will not hear options to record time/fob/timesheet. You will not be able to advance in the IVR system.

#### IVR System Says "No Client"

The options in the IVR system are as follows:

- "To record an entry press ONE" this is for Caregivers who are starting an EVV compliant shift.
- → "To record a fob entry press TWO" this is for Caregivers who have written down a fob code and need to record an EVV compliant shift.
- ◆ To record a timesheet entry press THREE" this is for Caregivers to record their time.

## I Don't Remember My PIN #

Caller must use 6-digit PIN, followed by #. If forgotten, change your PIN by selecting \*key after entering your User ID.
