Dear Employer or Attendant,

The Department of Medical Assistance Services (DMAS), the Fiscal/Employer Agents (F/EAs), and the Managed Care Organizations (MCOs) will host regional town halls for Consumer-Directed services. These sessions will provide an opportunity for each Fiscal/Employer Agent (F/EA) to present and demonstrate their Electronic Visit Verification (EVV) system. If you would like to attend an EVV town hall session, please see the information below.

Should you have additional questions, concerns, or if you would like to make a special accommodation request, you may contact the Office of Community Living by email at: EVV@dmas.virginia.gov.

Thank you for your continued participation in the Consumer-Directed Services Program. We look forward to meeting with you.

Online Session Registration

Due to space constraints, each Employee of Record and attendant must pre-register. If you do not register, you will be unable to attend the town hall session. DMAS will use WebEx™ for the on-site registration process only. The **Town Hall** sessions will take place on-site at the locations identified in the letter, NOT ONLINE.
